

We all love the smile a gift on Christmas morning brings upon the face of a child. However, it is even more rewarding to see that child carefully and thoughtfully select a gift for their parent, grandparent, or guardian. It is a selfless act that teaches that child how it is better to give than to receive. Parents' Store is a ministry event of God's Appalachian Partnership where children ages Head Start to 5th grade shop for 2 adult family members, wrap the gifts themselves, and then take them home to give on Christmas morning. It is a joyfully heartwarming event where we are given the opportunity to present the true meaning of Christmas to the entire family.

Christmas in July is an opportunity for you to partner with us this Christmas in sharing the Gospel with children and families here in the Appalachian Mountains of eastern Kentucky. God's Appalachian Partnership needs gifts for men and women that the children can choose from at the Parents' Store.

Below are scannable QR codes to the gift registries we have set up. You can also find links to both registries at [gapky.org/christmasinjuly](https://gapky.org/christmasinjuly). Each registry contains gifts that range in price from \$5 to \$20. We ask that all items be shipped to our GAP office address located in the registry. You or your group may purchase items that are not on our registries but are similar in nature. You can either purchase directly from the registry or use it as a guide for items we believe go well at the Parents' Store.
